

A Workshop on Women's health was organised by Women Cell, ACTA Sivasagar Zone. The program was organised by Women Cell of Zone and Bir Lachit Borphukan college under the aegis of ACTA, Sivasagar Zone. Senior gynecologist Dr. Vandana Gupta Sarma acted as a resource person in the workshop. The workshop was designed to create awareness of women's health among women teacher of the Zone and women of neighboring communities of Bir Lachit Borphukan college. It was an initiative of the Sivasagar Zone to get connected with local people apart from the college teachers. More than 200 women from the local community and college teachers actively participated in the program. It is noted that so far ACTA Sivasagar Zone has conducted three program during 2022/2023 session.
